Race, religion, and economic status have no bearing on the selection of Miss Lakeville or the Princesses. The Judges' decisions are final. The judging scores are not available for distribution.

Judging is based on the following:

**ACCEPTANCE OF DUTIES AND RESPONSIBILITIES:** Willingness to accept the role and responsibilities of Miss Lakeville or Princess.

**APPEARANCE:** Well-groomed with tasteful attire.

**COMMUNICATION SKILLS:** Articulate and possess interpersonal and public speaking skills.

**COMMUNITY SKILLS:** Community participation, spirit, and pride are definite considerations in the judging process.

**EDUCATION:** Academic accomplishments and extracurricular activities of the candidate will be considered.

**PERSONALITY:** Reflects sound qualities of mind and character. Professionalism, kindness, and wholesomeness are characteristics among the judging criteria. The candidate should project friendliness with proper restraint. She must be able to handle herself with confidence and decorum in any situation.

**POISE:** The manner in which the candidate conducts herself with others her age and the general public. She should be pleasant and friendly, have good posture and manners, and use proper etiquette.

**AUTHENTICITY:** True to her own personality, spirit, or character. Candidate should be genuine and sincere in attitude and how she carries herself.

## Areas of Competition

**Interview:** Each contestant will have a private interview with a panel of judges. Questions asked will be about Lakeville, current events, and personal information. A business suit or professional daytime dress is appropriate attire. The interview counts for 45% of the total score.

**Personal introduction:** Each contestant will introduce herself and her sponsor on stage, telling briefly of her future plans. Interview attire will be worn. The introduction counts for 15% of the total score.

**All About Me:** Each contestant will choose an outfit that best represents her or her hobbies. One minute will be given to explain why that outfit was selected. This counts for 15% of the total score.

**Evening Gown:** Formal attire is worn for this area of competition. Judges will be watching the way each contestant walks and presents herself. Each contestant will be asked to answer a question from the interview on stage. This counts for 25% of the total score.
